Just spoke with the Crisis Action Team regarding how to handle crew members that are aliens who are nationals from one of the 7 countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) in regards to the EO *"Protecting the Nation from Foreign Terrorist Entry into the United States"* whereas they are not allowed entry into the country.

OFO is currently drafting guidelines on how to handle subject crewmembers. In the interim, (b)(5), (b)(7)(E) (b)(5), (b)(7)(E) would be the course of action to take.

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories

of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman  
Executive Director  
Admissibility and Passenger Programs  
Office of Field Operations

Subject: Guidance on Executive Order “Protecting the Nation from Foreign Terrorist Entry into the United States”

Effective immediately, and pursuant to Executive Order entitled, “*Protecting the Nation from Foreign Terrorist Entry into the United States*” (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

*Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:*

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, ***without a sworn statement***. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in

(b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C) (b)(6), (b)(7)(C) A) Director, Enforcement Programs Division, at (b)(6), (b)(7)(C)

Friends --

Just spoke to (b)(6), (b)(7)(C) - here's our updated guidance.

Share with your PALs.

STOP sending inquiries to CBP media relations inbox.

TRACK your local media inquiries but don't respond.

KEEP communicating with your operators

AVOID communicating via email or over the phone with reporters and attorneys.

DISCIPLINE is the key.

I know the pressure is ratcheting up on those in the field but we need to maintain silence for now. Keep your chin up -/ things may get worse tonight.

Media will have to await announcements from DHS until further notice.

I know that's not the right way to do business but this is not our show in spite of the fact CBP is on the forefront of the issue.

Silence is our silver bullet today.

Thank you,

SCBPO (b)(6), (b)(7)(C) has the Duty for the evening and has received several calls from Congresswoman Alma Adams of the 12th District of North Carolina regarding the Presidential Executive order "Protecting the Nation from Foreign Terrorist Entry into the United States".

Apparently the caller was somewhat insistent on getting information the numbers and issues we have had here and per the guidance we received previously they have been provided the email to the Office of Congressional Affairs email address (b)(7)(E)

Hopefully the issue has been handled, however (b)(5), (b)(7)(E) was also notified that should her office call again that they have been provided the email address above and that all correspondence and questions should be directed there.

Wanted to loop you in in case you get calls in the AM.

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories

of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman  
Executive Director  
Admissibility and Passenger Programs  
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

*Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:*

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, ***without a sworn statement***. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

*Returning Residents,*

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in

(b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

*Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:*

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

*Returning aliens ineligible who withdraw their application for admission:*

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C)

Directors,

In light of the changes that were made with the new executive order and our current operational stance, please have your Port Directors at your larger locations engage directly, today, with local stakeholders to explain the changes and answer any questions as necessary. The focus for this should be at our larger airport operations.

As a side note headquarters Admissibility and Passenger Programs held a call last night with airline stakeholders at the national level and will also be doing so today.

DFO,

Congressman Lewis and Congressman Johnson from Georgia both showed up in F Concourse E+C. I called Chief (b)(6), (b)(7)(C) the duty Watch Commander and asked him to speak with the Congressmen to see what they required. He called back stating that he couldn't answer their questions. I asked him to place me on speakerphone contact with the Congressmen.

- Congressmen Lewis and Johnson were brought in to the Global Entry Office so we could have a private conversation
- I asked the gentlemen how I could help
- Mr. Johnson stated that he had calls from several constituents claiming that family members were being held in CBP without counsel or cause as they are permanent residents.
- I advised the gentlemen that I could not discuss procedures or any part of the Executive Order
- I then advised that Port of Atlanta had 11 persons arrive that fit these categories today. 9 had been processed and granted waivers. One was in process and one had yet to arrive.
- I advised that all individuals in our custody were treated humanly, offered food and water and we're treated respectfully at all times.
- congressman Johnson asked who made the decision to admit or deny. I stated that the CBP Officer makes admissibility decisions in consultation with several layers of management.
- he further asked if our decision making was altered by a court order in New York. I asked him to call OCA.
- he asked if there were written procedures for vetting. I advised him to call OCA.
- the call ended amicably

Chief (b)(6), (b)(7)(C) is advising the Congressmen now that the GE office is closing. I will let you know when they have departed.

Regards,

(b)(6), (b)(7)(C)

The guidance I have been given is that we are not to let Congress Lewis into the FIS Area. He did not formally request permission in advance. When it is time to close the waiting area, he should be advised that the area is closed and he'll have to leave.

I was misinformed. Congressman Lewis is still in the E+C area talking with the press. I think OCA needs to be contacted so the can call the Congressman's staffers.
