Re: Monthly PDO Meetings

As a result of the recent ADMS Tactical Meeting last month, the Office of Privacy and Diversity (PDO) has agreed to participate in monthly meetings with OFO. It is anticipated that these meetings will cover policy and servicing needs in areas such as, Reasonable Accommodation, EEO complaints, requests pursuant to FOIA, and Civil Rights and Civil Liberties claims. To ensure we timely advance PDO issues of concern for our field customers, please submit any items to Program Manager (b)(6), (b)(7)(C) (b)(6), (b)(7)(C) by February 6, 2017

Since these meetings will be recurring, LRPC is attempting to leverage the NWLU SharePoint Site to collect servicing issues for engagement with PDO, Human Resources Management, Office of Chief Counsel, and others. More to follow on that capability.

Thanks for your support and do not hesitate to call with any questions.

All:

DHS hosted a media call last night (01/28/17) with national media outlets to discuss the implementation of the order.

Unfortunately, they are still not set on the statement or FAQ. As soon as the documents are approved, they will share and post on CBP.gov.

In Charlotte we are not likely to receive many local media inquiries, as most contact our OPA Officer (b)(6), (b)(7)(C) directly, but continue to **not** engage the media and forward them to CBPMediaRelations@cbp.dhs.gov. DO NOT promise a response to anything.

If you are contacted and pressed by the media, please forward them to OPA Officer (b)(6), (b)(7)(C)

Continue to forward all congressional office inquiries to (b)(6), (b)(7)(C) and advise the FOA Border Security Duty Office of the request. All congressional inquiries are to be reported to Congressional Affairs.

Reach out to me if you have any questions.

Columbia is a 2 man port, no vacancy's. PD is (b)(6), (b)(7)(C) who used to be CDI at Glynco and former Savannah Chief.

Greenville/Spartanburg 4 CBPO's, 1 PD: (b)(6), (b)(7)(C) (replaced (b)(6), (b)(7)(C) when she retired, he was also the PD in Columbia)- no vacancy's

Charleston- they keep saying we are overstaffed but who knows, always room around here for CBPO and SCBPO positions. (b)(6), (b)(7)(C) is my Chief, he was recently promoted after he returned from Toronto.

MYR 1 man port, Officer in Charge. (b)(6), (b)(7)(C) is "supposedly" retiring later this year, he just told me earlier this week. That would be a good gig.

Good Afternoon,

The Port of Charlotte received another call from Congresswoman Adams Office. Ms. (b)(6) requested to know if we had any Charlotte residents impacted by the EO and also requested a contact number to JFK POE, as she believes there might be a Charlotte resident beginning detained due to the EO. The SCBPO on duty offered to provide her with the (b)(7)(E) email again but she said she already had it.

The Port never spoke with the individual, but was identified by Sector as the Chief of Staff for Congresswoman Adams. Sector was advised to provide them with the email for an information request. The Port has checked with Sector and they do not have the individuals name or contact information. The Port did locate the District Office number as 704.344.9950 and her DC office number as 202.225.1510.

Update on Public Information and Congressional Inquires relating to EO

All:

DHS hosted a media call last night (01/28/17) with national media outlets to discuss the implementation of the order.

Unfortunately, they are still not set on the statement or FAQ. As soon as the documents are approved, they will share and post on CBP.gov.

In Charlotte we are not likely to receive many local media inquiries, as most contact our OPA Officer (b)(6), (b)(7)(C) directly, but continue to **not** engage the media and forward them to (b)(5) DO NOT promise a response to anything.

If you are contacted and pressed by the media, please forward them to OPA Officer (b)(6), (b)(7)(C)

Continue to forward all congressional office inquiries to (b)(5) and advise the FOA Border Security Duty Office of the request. All congressional inquiries are to be reported to Congressional Affairs.

Thanks for the quick reply.

I just wanted to ensure that you and your staff had been made aware of the Executive Order and had been provided the details on the countries and individuals that were being effected.

With the size and scope of this Executive Order, communications between the carriers and CBP is extremely important to minimize adverse operational impacts to the extent possible.

At this time there appears to be minimal impact here in Charlotte at this time but we will continue to monitor the effects as we move forward.

Talk with you soon.

Customer Planning Advisory

Subject **Presidential Executive Order prohibiting travel to U.S. for some countries**

ATTN **International Customer Care**

Date Issued and effective : January 28, 2017

Overview U.S. Customs and Border Protection (CBP) has just advised us that effective immediately, per the Presidential Executive Order, travelers from the following countries will be prohibited from entering the United States for at least 90 days:

- Iran
- Iraq
- Libya
- Somalia
- Sudan
- Syria
- Yemen

The Department of State is in the process of revoking Immigrant and Non-Immigrant visas for nationals of the above countries. However, the Interactive Messaging from CBP may not have the most up-to-date information in the first few days until all the visa revocations have been entered into CBP's system. Until then you will need to be diligent in ensuring each customer is cleared to travel.

AA must deny travel for the next 90 days to the nationals of the above countries. The only two exceptions that will allow us to board these nationals are:

1. They are in possession of a valid U.S. Lawful Permanent Resident Card (LPR)
2. They are able to present a valid passport from another country that will allow U.S. entry (e.g.: Canada, U.K., France, Brazil, etc.) along with a valid U.S. visa or ESTA as applicable for that passport

The passenger should be advised that they are not admissible to the U.S. and be directed back to the carrier that they arrived on to the non-U.S. city.

If requested by the customer, a full refund will be provided and all penalties will be waived.

I just wanted to ensure that you and your staff had been made aware of the Executive Order and had been provided the details on the countries and individuals that were being effected.

With the size and scope of this Executive Order, communications between the carriers and CBP is extremely important to minimize adverse operational impacts to the extent possible.

At this time there appears to be minimal impact here in Charlotte at this time but we will continue to monitor the effects as we move forward.

Talk with you soon.

Importance: High

All,

Attached is the Presidential Executive Order (EO) "PROTECTING THE NATION FROM FOREIGN TERRORIST ENTRY INTO THE UNITED STATES " dated January 27th, 2017 and the corresponding Memorandum issued by CBP HQ.

The focus of the EO is specific to aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria, and Yemen.

Supervisors please discuss the EO, Memorandum, and information contained below with all employees at Daily Musters.

Additional guidance / Information:

Certain Directors (see delegation of Authority attached) have been advised that they have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

The Department of State has notified CBP HQ that there are at least 146 Afghan nations with valid Special Immigrant Visas (SIV) and more within the coming weeks. To ensure clarity and avoid confusion, Afghanistan was "**not subject**" to the EO. In addition, Refugees coming from another country, e.g. Mongolia, "**not listed**" in the guidance should be processed as normal.

(b)(7)(E)

For consistency, any individual (s) that fall within the scope of this EO that are encounter should be referred to secondary with the comment " Individual subject to or appears to be subject to Presidential Executive Order"

Field Liaison has been receiving notifications that some Ports and Field Offices are receiving inquiries from congressional staffers regarding the recent Executive Orders that were signed. The Office of Congressional Affairs (OCA) has provided the following guidance: Please refer all congressional inquiries to a Supervisor, Chief, or Watch Commander so that they can be referred to (b)(7)(E) At this time, the Office of Congressional Affairs is under strict instruction to forward such inquiries to DHS. OCA will log and coordinate all inquiries with DHS.

Additionally we have received guidance that all media inquiries should be referred to a Supervisor, Chief, or Watch Commander to ensure that all of these inquiries are directed to the OPA main inbox: (b)(7)(E)

We will AVOID speaking on the phone with reporters and WILL NOT Promise a response.

Finally effective immediately, HQs is going to a three times per day reporting timeline, using the previously sent email attachment. Reports to FOA are now be due to FOA Duty Officer and Border Security Coordinator (BSC) (b)(6), (b)(7)(C) by 0430 hours, 1430 hours and 2030 hours (EST) daily until further notice. Negative response are required until further notice.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman (b)(6), (b)(7)(C)
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, "*Protecting the Nation from Foreign Terrorist Entry into the United States*" (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding (b)(7)(E) (b)(7)(E) and Regional Carrier Liaison Groups (RCLG).

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded in (b)(7)(E) (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, **without a sworn statement**. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). (b)(7)(E)

(b)(7)(E) Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) examination and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) exam should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) examination and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C) (A) Director, Enforcement Programs Division, at (b)(6), (b)(7)(C)

There are approximately 20 civilian protestors without a permit at the baggage claim level. It appears they may be demonstrating in regards to the Presidential EO regarding travel restrictions for certain countries.

LEOs are present to keep the peace. There are news crews on the scene as well.

Thank you,

All:

DHS hosted a media call last night (01/28/17) with national media outlets to discuss the implementation of the order.

Unfortunately, they are still not set on the statement or FAQ. As soon as the documents are approved, they will share and post on CBP.gov.

In Charlotte we are not likely to receive many local media inquiries, as most contact our OPA Officer (b)(6), (b)(7)(C) directly, but continue to **not** engage the media and forward them to CBPMediaRelations@cbp.dhs.gov. DO NOT promise a response to anything.

If you are contacted and pressed by the media, please forward them to OPA Officer (b)(6), (b)(7)(C)

Continue to forward all congressional office inquiries to (b)(6), (b)(7)(C) and advise the FOA Border Security Duty Office of the request. All congressional inquiries are to be reported to Congressional Affairs.

Reach out to me if you have any questions.

I believe that information will be forth coming after the CAT team is up according to last bullet below from previous email.

Just a guess.

PLEASE CLOSE HOLD:

- OPA is working on a statement as we speak that would need to be approved by DHS and WH. Statement will be distributed to pending media inquiries and stakeholders. It will be also posted on cbp.gov.
- DHS-OPA is working on FAQ document and talking points
- There are talks about a potential background call with media from DHS-HQ later this afternoon.
- OCA also asking for written materials – there is a desire for a congressional call later today.
- POEs flooded with outside calls – advise them to avoid any interaction and refer to you. You advise reporter to send to OPA media inquiry inbox.
- CBP is setting up a Crisis Action Team (CAT) at HQ – (b)(6), (b)(7)(C) is arriving at the Ronald Reagan Building as we speak.

Will there be guidance concerning persons from the countries that are already admitted in some NIV category? If the DOS process is to cancel the visa's/ revoke will someone be sure to confirm it does NOT (shouldn't) cancelled their prior lawful admission.

But I am sure it going to come up.

Friends --

Just spoke to (b)(6), (b)(7)(C) here's our updated guidance.

Share with your PALs.

STOP sending inquiries to CBP media relations inbox.

TRACK your local media inquiries but don't respond.

KEEP communicating with your operators

AVOID communicating via email or over the phone with reporters and attorneys.

DISCIPLINE is the key.

I know the pressure is ratcheting up on those in the field but we need to maintain silence for now. Keep your chin up -/ things may get worse tonight.

Media will have to await announcements from DHS until further notice.

I know that's not the right way to do business but this is not our show in spite of the fact CBP is on the forefront of the issue.

Silence is our silver bullet today.

 Subject: New Muster Topic: Presidential Executive Order (EO) "PROTECTING THE NATION FROM FOREIGN TERRORIST ENTRY INTO THE UNITED STATES "

All,

Attached is the Presidential Executive Order (EO) "PROTECTING the Nation from Foreign Terrorist Entry into the United States " dated January 27th, 2017 and the corresponding Memorandum issued by CBP HQ.

The focus of the EO is specific to aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria, and Yemen.

Supervisors please discuss the EO, Memorandum, and information contained below with all employees at Daily Musters.

Additional guidance / Information:

Certain Directors (see delegation of Authority attached) have been advised that they have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

The Department of State has notified CBP HQ that there are at least 146 Afghan nations with valid Special Immigrant Visas (SIV) and more within the coming weeks. To ensure clarity and avoid confusion, Afghanistan was "not subject" to the EO. In addition, Refugees coming from another country, e.g. Mongolia, "not listed" in the guidance should be processed as normal.

(b)(7)(E)

For consistency, any individual (s) that fall within the scope of this EO that are encounter should be referred to secondary with the comment " Individual subject to or appears to be subject to Presidential Executive Order"

Field Liaison has been receiving notifications that some Ports and Field Offices are receiving inquiries from congressional staffers regarding the recent Executive Orders that were signed. The Office of Congressional Affairs (OCA) has provided the following guidance: Please refer all congressional inquiries to a Supervisor, Chief, or Watch Commander so that they can be referred to

(b)(7)(E)

(b)(7)(E) At this time, the Office of Congressional Affairs is under strict instruction to forward such inquiries to DHS. OCA will log and coordinate all inquiries with DHS.

Additionally we have received guidance that all media inquires should be referred to a Supervisor, Chief, or Watch Commander to ensure that all of these inquiries are directed to the OPA main inbox:

(b)(7)(E) . We will AVOID speaking on the phone with reporters and WILL NOT Promise a response.

Finally effective immediately, HQs is going to a three times per day reporting timeline, using the previously sent email attachment. Reports to FOA are now be due to FOA Duty Officer and Border Security Coordinator (BSC) **(b)(6), (b)(7)(C)** by 0430 hours, 1430 hours and 2030 hours (EST) daily until further notice. Negative response are required until further notice.

Good Afternoon,

The Port of Charlotte received another call from Congresswoman Adams Office. Ms. (b)(6) requested to know if we had any Charlotte residents impacted by the EO and also requested a contact number to JFK POE, as she believes there might be a Charlotte resident beginning detained due to the EO. The SCBPO on duty offered to provide her with the OCAInquiry (b)(6), (b)(7)(C) email again but she said she already had it.

Ms. (b)(6) can be reached at 202.816.1881.

The Port never spoke with the individual, but was identified by Sector as the Chief of Staff for Congresswoman Adams. Sector was advised to provide them with the email for an information request. The Port has checked with Sector and they do not have the individuals name or contact information. The Port did locate the District Office number as 704.344.9950 and her DC office number as 202.225.1510.

The 2030X report for Raleigh is negative. (since we are negative I am not attaching the excel sheets)

No in scope passengers on processed flights today.

Also, as an aside, no press inquiries today. We had two calls from individuals asking about the EO, they were referred to the CBP website FAQ provided earlier in the day to the Port.

This will also serve as our 0430 update as no further passenger processing is anticipated for Raleigh today

Subject: New Muster Topic: Presidential Executive Order (EO) "PROTECTING THE NATION FROM FOREIGN TERRORIST ENTRY INTO THE UNITED STATES "

All,

Attached is the Presidential Executive Order (EO) "PROTECTING THE NATION FROM FOREIGN TERRORIST ENTRY INTO THE UNITED STATES " dated January 27th, 2017 and the corresponding Memorandum issued by CBP HQ.

The focus of the EO is specific to aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria, and Yemen.

Supervisors please discuss the EO, Memorandum, and information contained below with all employees at Daily Musters.

Additional guidance / Information:

Certain Directors (see delegation of Authority attached) have been advised that they have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

The Department of State has notified CBP HQ that there are at least 146 Afghan nations with valid Special Immigrant Visas (SIV) and more within the coming weeks. To ensure clarity and avoid confusion, Afghanistan was "**not subject**" to the EO. In addition, Refugees coming from another country, e.g. Mongolia, "**not listed**" in the guidance should be processed as normal.

(b)(7)(E)

For consistency, any individual (s) that fall within the scope of this EO that are encounter should be referred to secondary with the comment " Individual subject to or appears to be subject to Presidential Executive Order"

Field Liaison has been receiving notifications that some Ports and Field Offices are receiving inquiries from congressional staffers regarding the recent Executive Orders that were signed. The Office of Congressional Affairs (OCA) has provided the following guidance: Please refer all congressional inquiries to a Supervisor, Chief, or Watch Commander so that they can be referred to (b)(7)(E) At this time, the Office of Congressional Affairs is under strict instruction to forward such inquiries to DHS. OCA will log and coordinate all inquiries with DHS.

Additionally we have received guidance that all media inquires should be referred to a Supervisor, Chief, or Watch Commander to ensure that all of these inquiries are directed to the OPA main inbox: (b)(7)(E) We will AVOID speaking on the phone with reporters and WILL NOT Promise a response.

Finally effective immediately, HQs is going to a three times per day reporting timeline, using the previously sent email attachment. Reports to FOA are now be due to FOA Duty Officer and Border Security Coordinator (BSC) (b)(6), (b)(7)(C) by 0430 hours, 1430 hours and 2030 hours (EST) daily until further notice. Negative response are required until further notice.

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) examination and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Glad to help.

All four were just admitted with waivers. That should be it for tonight. There was a small group of demonstrators (about 50) on the main road entering the airport today, but no issues in the airport.

Subject: UPDATED EO Guidance

Friends --

Just spoke to [REDACTED] here's our updated guidance.

Share with your PALs.

STOP sending inquiries to CBP media relations inbox.

TRACK your local media inquiries but don't respond.
KEEP communicating with your operators
AVOID communicating via email or over the phone with reporters and attorneys.
DISCIPLINE is the key.

I know the pressure is ratcheting up on those in the field but we need to maintain silence for now. Keep your chin up -/ things may get worse tonight.

Media will have to await announcements from DHS until further notice.

I know that's not the right way to do business but this is not our show in spite of the fact CBP is on the forefront of the issue.

Silence is our silver bullet today.

Thank you,
