**MUSTER ITEM:**

*FORWARD TOPIC TO ALL SHIFTS AND ENSURE THAT THIS INFORMATION IS DISEMINATED TO ALL PORT STAFF:*

Until further notice **we must provide all LPRs that are referred to secondary (detained) the list of free legal services. This requirement applies regardless of reason for referral.** The court order verbiage states "respondents shall permit lawyers access to all legal permanent residents being detained at Dulles International Airport" **It does NOT specify in reference to the EO, therefore we must continue to provide this list to all LPRs until litigation clears the matter.** The timing of the distribution should be the same as we currently handle the EO referrals. After the passenger has been in the back for a reasonable amount of time, they should be given the sheet. Per previous guidance "We recommend that this be given to them after approximately 15 minutes of questioning in secondary." Should the inspection take less time, hand them the sheet before departure. Please make sure we have sufficient copies.

Good Evening

In conjunction with Secretary of State and the Secretary of Homeland Security, approx. 842 refugees have been authorized to travel to the United States from January 30th – February 2nd . Dulles International Airport will process 77 of these persons.

The Executive Order (EO) does allow for a waiver pursuant to Section 5(e) with concurrence of the Secretary of State and Secretary of Homeland Security. The Secretary of Homeland Security has delegated his authority to the Commissioner of U.S. Customs and Border Protection. The Commissioner has further delegated his authority that allows the listed individuals to effectuate said waiver per Section 5(e) of the EO.

The below also outlines the guidelines, systems checks etc, on how waivers should be granted:

**(b)(7)(E)**

Barring discovery of derogatory information upon arrival, Dulles is submitting the below blanket waiver request for 51 refugees who will be arriving on four separate flights today, January 31<sup>st</sup>. The full spreadsheet is also attached for your reference.

ALCON,

SCBPO (b)(6), (b)(7)(C) has reported that (b)(7)(E) are not feasible to conduct for refugees in advance, due to insufficient information being available prior to the refugees actual arrival to IAD. Unable to glean any of the missing information from the provided blanket waiver matrix that is not already present in it. (Address, Employment (b)(7)(E) in advance of refugee's arrival. She reached out to (b)(7)(E) in JFK to find out how they handled refugee arrivals today, for insight and recommends that we follow their lead in requesting blanket waivers for refugees... See below explanation provided by SCBPO (b)(6), (b)(7)(C)

(b)(7)(E)

At this time, JFK is currently conducting (b)(7)(E), acquiring valid addresses and alien numbers. Barring any derogatory information they send the following up the chain of command:

Individual Name	Birthdate	Nationality	Address	(b)(7)(E) Exam P/N	A#
-----------------	-----------	-------------	---------	--------------------	----

I respectfully request to adopt the waiver format from JFK in order to facilitate timely processing for individuals entering with Refugee status.

Additionally, all of these pending refugees would be unemployed due to the nature of their current condition as refugees...

After discussions with SCBPO (b)(6), (b)(7)(C) regarding the above information, recommend consideration and adoption of the above criteria for IAD blanket refugee waiver requests to DFO.

Thanks,

(b)(6), (b)(7)(C)

**Subject:** MUSTER TOPIC: Continue to provide all LPRs referred to secondary with List of Free Legal Services  
**Attachments:** Free Legal Service.pdf  
**Importance:** High

## MUSTER TOPIC

Continue providing all LPRs that are referred to secondary (detained) the list of free legal services as previously instructed. No change in this procedure, at this time.

This requirement applies regardless of reason for referral. The court order verbiage states "respondents shall permit lawyers access to all legal permanent residents being detained at Dulles International Airport". It does NOT specify in reference to the EO, therefore we must continue to provide this list to all LPRs until litigation clears the matter.

The timing of the distribution should be after the passenger has been in secondary for a reasonable amount of time for inspection. They should be given the sheet after approximately 15-20 minutes of questioning in secondary. Should the inspection take less time, hand them the sheet before their departure from secondary area.

Document in all close outs that the list of free legal services was provided to the traveler.

Any questions, please see a supervisor for clarification and guidance.

Thank you,

DFO Durst

Social justice group “Standing Up For Racial Justice of Northern Virginia” organized a welcome rally via social media to take place at Washington Dulles Airport. The Governor and state attorney general gave a press conference and left Washington Dulles after briefly speaking with rally attendees.

Rally organizer, (b)(6), (b)(7)(C) representing the group stated to media sources that the group was planning a show of solidarity to international arrivals, immigrants, refugees coming into this country, who might be afraid of the executive order, to let them know the group supports and welcomes them. Estimated by Airport authority that this event has drawn up to 300 participants. Protestors have been witnessed cheering when passengers exit the FIS, and occasionally chanting “love, not hate. That’s what makes America great.”

Are we receiving any reports from the field on protests, besides JFK. Media is saying they've started to protest at Dulles and SFO. Do we have anything?

DFO Durst

At approximately 1530 hours I held a stakeholders meeting with representatives from the Port Authority and several of the International Airlines. I informed the group of the following items:

- Per Executive order, CBP will be further examining all persons holding citizenship in the seven countries concerned.
- In certain circumstances (i.e. diplomats, permanent residents) the Port Director has the authority to request a waiver of exemption.
- Persons found inadmissible will be returned on the next available flight. I further asked them to work with us in this regard.
- CBP has adequate arrangements for persons that may be held overnight, or for any length of time.
- While numbers were not provided, the airlines were told that they were "not insurmountable".

I believe I effectively provided the stakeholders with adequate information and eased their concerns regarding their customers.

Our head office has a question for dual nationalities arriving at Dulles.

For example –  
Passenger born in Syria or any of those seven countries but holding a French/Dutch passport.  
Passenger born in those seven countries but holding a US passport

Will these kind of passenger be allowed to enter the United States.

We tried to call the command center but didn't get any clear answer.

Good Evening

In conjunction with Secretary of State and the Secretary of Homeland Security, approx. 842 refugees have been authorized to travel to the United States from January 30th – February 2nd . Dulles International Airport will process 77 of these persons.

The Executive Order (EO) does allow for a waiver pursuant to Section 5(e) with concurrence of the Secretary of State and Secretary of Homeland Security. The Secretary of Homeland Security has delegated his authority to the Commissioner of U.S. Customs and Border Protection. The Commissioner has further delegated his authority that allows the listed individuals to effectuate said waiver per Section 5(e) of the EO.

The below also outlines the guidelines, systems checks etc, on how waivers should be granted:

(b)(7)(E)

Barring discovery of derogatory information upon arrival, Dulles is submitting the below blanket waiver request for 51 refugees who will be arriving on four separate flights today, January 31<sup>st</sup>. The full spreadsheet is also attached for your reference.

### Executive Order (EO) *Protecting the Nation from Foreign Terrorist Entry into the United States*

- On 27 January 2017, the President of the United States signed Executive Order (EO) *Protecting the Nation from Foreign Terrorist Entry into the United States*.
  - Effective immediately in accordance with the new EO, all immigrant and nonimmigrant persons of Iraq, Iran, Libya, Somalia, Sudan, Syria and Yemen are suspended entry into the U.S. for the next 90 days.
- The suspension does not affect foreign nationals traveling on diplomatic visas, NATO visas, C-2 visas for travel to the United Nations and G-1, G-2, G-3 and G-4.
- U.S. Lawful Permanent Residents (green card holders)
  - In accordance with White House Guidance issued on February 1, 2017, Sections 3(c) and 3(e) of Executive Order Entitled “Protecting the Nation from Foreign Terrorist Entry into the United States” do not apply to Lawful Permanent Residents.
- Dual citizens: EO applies to Dual Citizens, but travelers are being treated according to the travel document they present. For example, if they present a Canadian passport, that is how they are processed for entry.
- Someone who is in the Federal Inspection Area right now: Each person who may be admissible from one of the seven countries, has to have an individual waiver. Processing the waivers may delay the release of the individual.
- What about refugees who are considered to be “in transit?”
  - There are currently 872 refugees who are considered to be in transit who are scheduled to arrive in the United States this week. The Secretaries of State and DHS have coordinated and will process the 872 individuals consistent with the terms of the Executive Order, which we’ve operationalized by assessing each traveler on a case-by-case basis.
- Documents that can be used by citizens identified by the EO to enter the United States are:
  - Any diplomatic visa (A, G, C-2, or NATO)
  - An I-551 (Green Card)
  - An advance parole document
  - Any SQ immigrant visa

If they are not in possession of one of the above travel documents, they will not be allowed to enter the U.S.

Please be advised that this afternoon, Dulles management was informed that CBP personnel who worked on the 28<sup>th</sup> and/or the 29<sup>th</sup> would be interviewed as part of a national inquiry related to the Executive Order.

I want to stress that no one at Dulles (or nationally) has been named as a subject of investigation. All persons will be interviewed as witnesses. We have been told that all interviewees will be asked the same scripted questions.

OIG will be out tomorrow to begin interviews with senior management. It is expected that they will request interviews with officers as early as Friday. If an officer decides that they wish to have a union representative present

OIG will work with them to schedule the interview accordingly.

We ask for your cooperation in this matter. I cannot stress enough that we, as a port, did an outstanding job in complying with both the E.O. as well as the court order.

**Subject:** Redlegation of 3(g) Authority

Directors,

Please be advised that the Commissioner has redelegated authority to adjudicate all exceptions related to the Executive Order to DFOs. As such, DFO Durst will need to ensure that any such exceptions to issue a visa or other immigration benefits to nationals of countries for which visas and benefits are otherwise blocked under Section 3 of the Executive Order, are issued only where consistent with the extent of CBP's authority to do so "on a case-by-case basis, and when in the national interest."

The processing record should indicate that each determination is indeed individualized, and that there is an articulation of the national interest that is served by authorizing the particular entry. While it is not possible to comprehensively set forth all conceivable/potential bases for why entry might be in the national interest, some potential options might note, for example, that the individual has a particular educational background, talent, or skill set that contributes to the U.S. economy and our communities; that the individual is a close relative of a person who is serving or has served in the U.S. Armed Forces or who otherwise contributed or contributes to overseas U.S. military or other engagements that further the national interest; or that the individual is entering

for critical medical treatment or care to be provided by U.S. medical specialists and entry is otherwise consistent with U.S. humanitarian national interests. Again, there are any number of reasonable scenarios in which the entry of a particular individual's entry could warrant an exception and therefore be in the national interest, and it is important that the basis for doing so should be articulated.

As it relates to first-time refugees (Section 5(e)), DFO Durst also has redelegated authority to adjudicate all exceptions related to the Executive Order on a case-by-case basis. In these cases the Commissioner or Secretary of State, or his designee, jointly determine that the admission of such individuals as refugees is in the national interest and would not pose a risk to the security or welfare of the United States so the ports need not provide any verbiage to show why it is in the U.S. national interest for these individuals.

Should you have any questions concerning these redelegated authorities please contact me.

**Subject:** Special Vettings

All,

We will need to re-vet each incoming flight, starting with AM622.

Any citizen from the following countries will need a 1-day lookout placed, in many cases (b)(7)(E) may have already placed a lookout. We don't need to place an additional lookout, but it will need to be tracked in the below spreadsheet.

Syria  
Iran  
Iraq  
Libya  
Sudan  
Somalia  
Yemen

As well, once you have swept the flight we will need an email to the CBPIADSupervisors, CBPIAD (b)(7)(E) and CBPIAD (b)(7)(E) distros.

The email should follow the below format. I have created a spreadsheet to track the incoming lookouts, you can find this at (b)(7)(E) – I have created a tab for each day until Feb. 1<sup>st</sup>. I will be in 01/31/2017 if it needs updated as we move forward.

Please cut and paste each four hour block into the body of your email.

**Subject:** Executive Order Suspension

Teams,

It appears there are four (4) individuals who were scheduled to arrive tomorrow but were flagged (b)(5) due to the Executive Order (E.O.). (b)(5) initially placed 1-day lookouts and marked them as Denied Boarding/No Show.

Due to the Nationwide suspension of the Order these individuals would be allowed to board (if they were not previously turned away), but the 1-day lookout may not have been deleted by (b)(5) yet. Please monitor these individuals and notify C.C. if they transmit as onboard. If the 1-day has been deleted there should be no issue. If it has not been deleted CC and the Primary SCBPO will need to monitor the flights (ET500 and SV37) to ensure the subjects are not sent to secondary for reasons related to the E.O.

This suspension of the E.O. should not preclude these individuals from being targeted and referred for reasons not directly related to the E.O. (i.e. narcotics, immigration, currency, national security).

Subjects are as follows:

ET 500	820								
SV 37	1230		(b)(6), (b)(7)(C)		(b)(6), (b)(7)(C)		(b)(6), (b)(7)(C)		(b)(6), (b)(7)(C)
