DFOs,

Based on this evening's federal court stay, we are to suspend all departures of those found inadmissible under the Executive Order, including those who wished to voluntarily depart. We should freeze all departures but continue to detain the individuals in the airports while we await further legal guidance. All pre-departure actions will remain underway.

Need confirmation from each DFO.

- Continue providing all LPRs that are referred to secondary (detained) the list of free legal services as previously instructed. No change in this procedure, at this time. This requirement applies regardless of reason for referral. The court order verbiage states “respondents shall permit lawyers access to all legal permanent residents being detained at Dulles International Airport”. It does NOT specify in reference to the EO, therefore we must continue to provide this list to all LPRs until litigation clears the matter. The timing of the distribution should be after the passenger has been in secondary for a reasonable amount of time for inspection. They should be given the sheet after approximately 15-20 minutes of questioning in secondary. Should the inspection take less time, hand them the sheet before their departure from secondary area. Subject: Executive Order Suspension

Teams,

It appears there are four (4) individuals who were scheduled to arrive tomorrow but were flagged (b)(5) due to the Executive Order (E.O.). (b)(5) initially placed 1-day lookouts and marked them as Denied Boarding/No Show.

Due to the Nationwide suspension of the Order these individuals would be allowed to board (if they were not previously turned away), but the 1-day lookout may not have been deleted by (b)(5) yet. Please monitor these individuals and notify C.C. if they transmit as onboard. If the 1-day has been deleted there should be no issue. If it has not been deleted CC and the Primary SCBPO will need to monitor the flights (ET500 and SV37) to ensure the subjects are not sent to secondary for reasons related to the E.O.

This suspension of the E.O. should not preclude these individuals from being targeted and referred for reasons not directly related to the E.O. (i.e. narcotics, immigration, currency, national security).

Subjects are as follows:

ET 500	820								
SV 37	1230		(b)(6), (b)(7)(C)		(b)(6), (b)(7)(C)		(b)(6), (b)(7)(C)		(b)(6), (b)(7)(C)

Good morning,

(b)(6), (b)(7)(C) boarded (b)(6), (b)(7)(C) and it departed just after 1300 local. They are in (b)(6), (b)(7)(C)

(b)(6), (b)(7)(C) is a reporter for (b)(6), (b)(7)(C). This is the (b)(6), (b)(7)(C) s. According to the IAO at the gate, he appeared to be filming the boarding process with his cellphone. He is in (b)(6), (b)(7)(C)

The couple was put through an enhanced security screening at the gate. We had no involvement in that decision. The IAO did not speak to them and observed from a distance.

Let's please make sure we track the substantial amounts of OT expended since the inception and as we continue the process.

Basically, anything above about 70 - 75 hours per day is a direct result of the EO procedures and reporting.

As you noted below, anyone entering an EO related ticket should be utilizing the PC.

We should attempt to track regular hours required as well.

Please let me know if any questions.

Team,

Effective immediately, please utilize COSS Project Code **Z2VM** to track CBP costs associated with Executive Order entitled, "Protecting the Nation from Foreign Terrorist Entry into the United States". This project code is intended to capture all costs as a direct result of the E.O. that are not for work already being captured by a previously issued national project code.

As always, note which member of management approved the OT in your comments.

- IE) "Executive Order (b)(7)(E) OT, as per SCBPC (b)(6), (b)(7)(C)?"

For any (b)(7)(E) related OT ***NOT RELATED*** to the Executive Order, please continue to use "2JR" as your project code.

As always, please see a member of Tactical Management with any questions.

Iranian couple, stuck at Schiphol, can go to US after all

Society

February 2, 2017

An elderly Iranian couple who had been stranded at Schiphol airport since Saturday because of president Donald Trump's entry ban, are to be allowed into the US after all.

The couple, two of six Iranian nationals who spent several days in the international transit lounge, are being allowed into the US, broadcaster [NOS](#) quoted KLM as saying.

An exception has been made for the couple, who were planning to visit their daughter, but it is not clear on what grounds the exception was made.

The four others, another couple and two students, returned to Iran on Wednesday.

Update:

- KLM Security advised (b)(5), (b)(6), (b)(7)(C), (b)(7)(D) that the couple is still in the international transit area of Schiphol Airport.
- The couple has received representation from a Human Rights firm, unknown at this time.
- The couple will not pursue Schengen visa entry into the Schengen area, as they pursue approval to travel to the US.

Please see below information provided to (b)(5), (b)(6), (b)(7)(C), (b)(7)(E) concerning an offload which occurred on Saturday, January 28, 2017. This offload has sparked media and legal interest in the Netherlands.

Significant Media/Legal Interest (b)(5), (b)(6), (b)(7)(C), (b)(7)(E)

- On January 27, 2017, at approximately 2330 EST, (b)(5), (b)(6), (b)(7)(C), (b)(7)(E) received an offload request from (b)(5), (b)(6), (b)(7)(C), (b)(7)(E) for two Iranian nations subject to 212 (f) proclamation under the Executive Order.
- Subjects were in possession of first time entry IR5 Immigrant Visas issued on December 2, 2016.
- Subjects were scheduled to fly on board Royal Dutch Airlines (KLM) Flight #651 on January 28, 2017 at 0700 EST.
- An offload recommendation was provided to the airline to which they concurred.
- On January 30, 2017, a letter was submitted on behalf of the subjects by Akin Gump, Strauss Hauer & FELD LLP to Royal Dutch Airlines requesting the subjects be authorized to board for successful admission to the US, as properly documented Legal Permanent Residents.
- Currently, KLM has refused rebooking of the couple to the US. KLM has assisted in rebooking the couple to Iran.

Additional Documents provided by KLM:

(1) Body of Email from Akin Gump, Strauss Hauer & FELD LLP to KLM

They are an Iranian couple in their 70s. They are stranded in Schiphol Airport in Amsterdam. They have immigrant visas which they received after their U.S. citizen daughter, living in Virginia, petitioned for them. People who travel on immigrant visas and are admitted into the U.S. are considered admitted as Lawful Permanent Residents (LPRs) and usually receive their physical green card a month later.

This couple was scheduled to board a flight from Amsterdam on Saturday 28, 2017 at 1 PM (Amsterdam time) but we're barred from boarding on the premise that they would not be allowed to enter and pursuant to the president's Executive Order banning nationals from certain countries including Iran.

This happened before the Eastern District Court of New York issued a temporary order on 01/28/2017 at around 9 PM EST (3 AM in Amsterdam on 01/29/2017) staying the removal nationwide of anyone arriving at a port of entry and holding a valid immigrant and non-immigrant visa.

Additionally since then the Massachusetts District Court has ordered that Customs Border Patrol shall not detain and remove anyone with a valid Immigrant visa (which they have), the Virginia Eastern District Court has issued an order prohibiting the removal of all lawful permanent residents arriving at Dulles Airport, and the DHS Secretary Kelly has issued a statement explaining that absent any significant derogatory information that shows the person is an immediate threat, customs should allow entry of LPRs in the national interest. (b)(6), (b)(7)(C) (b)(6), (b)(7)(C) clearly fit into this group of people that the orders are protecting from being removed and which DHS has said will be allowed to enter.

Despite providing these orders and notices to KLM personnel, and even a legal statement from Akin Gump and CAIR Coalition, the couple has been refused rebooking and boarding to any flights to Boston, NY, or Dulles, VA. Instead, it is our understanding KLM has rebooked them on a flight departing tomorrow at approximately 5 PM (Amsterdam time) to Iran.

We are asking that this couple be allowed to board because not only do the court orders show that they will not be removed but also because DHS has issued a statement providing guidance that LPRs should generally be admitted.

MEMORANDUM

January 30, 2017

Re: (b)(6), (b)(7)(C) and (b)(6), (b)(7)(C)'s *United States Immigration Status*

On behalf of (b)(6), (b)(7)(C) and (b)(6), (b)(7)(C) we submit this statement in conjunction with (b)(6), (b)(7)(C) an immigration specialist with the Capital Area Immigrants' Rights (CAIR) Coalition, regarding the immigration status of (b)(6), (b)(7)(C) and (b)(6), (b)(7)(C) and (b)(6), (b)(7)(C) should be allowed to board a KLM flight from Amsterdam to Washington, DC, USA due to their immigrant visas issued by the United States Department of State. This immigrant visa is the functional equivalent of being a lawful permanent resident of the United States. Once (b)(6), (b)(7)(C) and (b)(6), (b)(7)(C) arrive in the United States, their visas will be processed and they will be granted legal permanent residence status. Secretary John Kelly, the Secretary of the United States Department of Homeland Security, stated in a press release on January 29, 2017, that "I hereby deem the entry of lawful permanent residents to be in the national interest. Accordingly, absent the receipt of significant derogatory information indicating a serious threat to public safety and welfare, lawful permanent resident status will be a dispositive factor in our case-by-case determinations." See Press Release, Secretary John Kelly Department of Homeland Security, Statement by Secretary John Kelly on the Entry of Lawful Permanent Residents Into the United States (Jan. 29, 2017) (attached).

The United States Code defines "lawfully admitted for permanent residence" as "the status of having been lawfully accorded the privilege of residing permanently in the United States as an immigrant in accordance with the immigration laws, such status not having changed." 8 U.S.C. § 1101(a)(20) (2012) (emphasis added). The use of the term "accorded" under the definition does not mean the individual must already be in the United States, but rather encompasses those that have been accorded the privilege, whether in the United States or abroad. United States Legislators, when drafting section 1101(a)(2), specifically used the term "accorded" when referring to lawful permanent residents, as opposed to "admitted", as used elsewhere in the act. This alone is instructive, for "[w]here Congress includes particular language in one section of a statute but omits it in another section of the same Act, it is generally presumed that Congress acts intentionally and purposely in the disparate inclusion or exclusion." *INS v. Cardoza-Fonseca*, 480 U.S. 421, 432, 107 S.Ct. 1207 (1987) (quotation and alteration omitted); see also *Barnhart v. Simon Coal Co.*, 534 U.S. 438, 452, 122 S.Ct. 941, 151 L.Ed.2d 908 (2002). (b)(6), (b)(7)(C) and (b)(6), (b)(7)(C) have been accorded this privilege after undergoing the lengthy United States Department of State visa application process.

Because (b)(6), (b)(7)(C) and (b)(6), (b)(7)(C) have an immigrant visa and have the status as the functional equivalent of a lawful permanent resident, Secretary Kelly's statement makes it clear that there is no risk, barring significant derogatory information indicating a serious threat to public safety and welfare, to their successful admission into the United States.

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
 Executive Director
 Admissibility and Passenger Programs
 Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, “*Protecting the Nation from Foreign Terrorist Entry into the United States*” (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:

- (1) All case processing will be recorded in (b)(7)(E) system, according to current policy/procedure.
- (2) Subjects will be allowed to withdraw their application for admission on Form I-275, ***without a sworn statement***. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
- (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
- (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

- (1) Lawful Permanent Residents should be referred for (b)(7)(E) and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of (b)(7)(E) should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

- (1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for (b)(7)(E) and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

- (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
- (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact (b)(6), (b)(7)(C) (b)(6), (b)(7)(C) (A) Director, Enforcement Programs Division, at (b)(6), (b)(7)(C)

FYSA below from MWAA Public Affairs concerning a potential staged press event at Dulles by the VA Governor, democrat Terry McAuliffe, today or tomorrow and the potential that he may reach out to you, Mr. (b)(6), (b)(7)(C).

It goes without saying that we would not participate in this press event. Executive Order (EO) Protecting the Nation From Terrorist Attacks by Foreign Nationals
Frequently Asked Questions
2/1/2017 12:36:15 PM

1. How many people are currently detained at Ports of Entry as a result of the Executive Order?

CBP is not currently holding in its custody any individual based on the Executive Order. However, at any given time there may be a number of people going through inspection who fall within the scope of the Executive Order. All individuals who arrive in the United States are subject to inspection.

2. What is the process for considering an individual for an exemption under the Executive Order?

Senior DHS personnel can review individual cases and grant exemptions on a case-by-case basis if that individual's admission to the United States falls within the parameters of the Executive Order. CBP is processing exemptions consistent with the Secretary's guidance.

3. Are all Lawful Permanent Residents (LPRs) eligible for an exemption – returning and first time arrivals?

It is important to understand that individuals with immigrant visas overseas are not LPRs. Eligible individuals only become LPRs once they have been inspected and admitted at a port of entry.

Lawful Permanent Residents of the United States traveling on a valid I-551 will be allowed to board U.S. bound aircraft and will be assessed on a case-by-case basis for exceptions upon arrival at ports of entry, as appropriate. CBP is processing exemptions consistent with the Secretary's guidance.

4. Has CBP issued clear guidance to CBP officers at Ports of Entry on the Executive Order and the court orders?

Yes, CBP issued guidance to the field expeditiously upon the signing of the Executive Order. CBP has and will continue to issue any needed guidance to the field with respect to court orders. All individuals, including those affected by the court orders, are being given all rights afforded under the law.

5. What coordination is being done between CBP and the carriers?

CBP has been and will remain in constant communication with the airlines through CBP regional carrier liaisons. In addition, CBP has held multiple executive level calls with the airlines in order to provide guidance, answer questions, and address concerns.

6. When did enforcement of the Executive Order start?

Executive Order (EO) Protecting the Nation From Terrorist Attacks by Foreign Nationals
Frequently Asked Questions
2/1/2017 12:36:15 PM

The Executive Order became effective on January 27, 2017.

- 7. Has CBP been pressuring detainees to either withdraw their applications for admission into the country or sign documents rescinding their green cards? There are reports that CBP is confiscating green cards.**

CBP is committed to following the law. Any withdrawal of an application for admission must be voluntary. The withdrawal process is not new and CBP officers are well trained to ensure that individuals make voluntary decisions.

- 8. Does this Executive Order apply to dual nationals of the seven countries who want to enter the U.S.? If they apply for entry based on their citizenship from one of the countries NOT on the list, will they be allowed entry?**

Travelers are being processed and when eligible, admitted according to the travel document they present.

- 9. Can a dual national traveling with a passport from an unrestricted country travel to the United States?**

Dual nationals with a valid immigrant or nonimmigrant visa in a passport issued by any country not restricted under the Executive Order will be permitted to apply for admission to the United States.

- 10. Can a dual national who holds nationality with a restricted country and is currently overseas, apply for an immigrant or nonimmigrant visa to the United States?**

Department of State's Posts are allowed to process visa applications and issue nonimmigrant and immigrant visas to otherwise eligible visa applicants who apply with a passport from an unrestricted country, even if they hold dual nationality from a restricted country. Please contact the Department of State with any questions related to the issuance of visas.

- 11. Will Canadian immigrants affected by the Executive Order be eligible for entry to the United States?**

Landed immigrants of Canada (not including refugees) who hold passports of a restricted country can apply for admission to the United States, if the individual presents that passport with a valid immigrant or nonimmigrant visa and proof of their landed immigrant status, and only if the travel both originates in Canada and is through a land border or Preclearance location.

- 12. Can Canadian immigrants affected by the Executive Order apply for an immigrant or nonimmigrant visa to the United States?**

Executive Order (EO) Protecting the Nation From Terrorist Attacks by Foreign Nationals
Frequently Asked Questions
2/1/2017 12:36:15 PM

Landed immigrants of Canada (not including refugees) who hold passports of a restricted country can apply for an immigrant or nonimmigrant visa to the United States, if the individual presents that passport and proof of landed immigrant status to a consular officer. These applications shall be made at a U.S. consular section in Canada.

13. Will Iraqi Passport holders with a valid Special Immigrant Visa be eligible for entry to the United States?

The entry of Iraqi nationals with a valid Special Immigrant Visa to the United States is deemed to be in the national interest and can apply for admission to the United States. Accordingly, absent the receipt of significant derogatory information indicating a serious threat to public safety and welfare, possession of a Special Immigrant Visa will be a dispositive factor in case-by-case determinations. Iraqi nationals can also apply to a consular officer for Special Immigrant Visas, and, if otherwise qualified, can be issued a Special Immigrant Visa.

14. Will nationals of restricted countries with valid green cards be allowed to return to the United States?

As stated by Secretary Kelly, the entry of U.S. lawful permanent residents is deemed to be in the national interest. Accordingly, absent the receipt of significant derogatory information indicating a serious threat to public safety and welfare, lawful permanent resident status will be a dispositive factor in case-by-case determinations.

15. What additional screening will nationals of restricted countries (as well as any visa applications) undergo as a result of the Executive Order?

In adjudicating both admission to the United States and issuance of visas, both DHS and DOS will continue to apply all appropriate security vetting procedures.

16. Does this affect travelers at all ports of entry?

Yes, this Executive Order applies to all immigrant and nonimmigrant persons of Iraq, Iran, Libya, Somalia, Sudan, Syria and Yemen applying for entry to the United States at any port of entry—air, land or sea.

17. Does CBP have the authority to search individuals' electronics?

All international travelers arriving to the U.S. are subject to CBP inspection. This inspection may include electronic devices such as computers, disks, drives, tapes, mobile phones and other communication devices, cameras, music and other media players and any other electronic or digital devices.

Various laws that CBP is charged to enforce authorize searches and detention in accordance with 8 U.S.C. § 1357 and 19 U.S.C. §§ 1499, 1581, 1582. All persons,

baggage, and merchandise arriving in, or departing from, the United States are subject to inspection, search and detention. This is because CBP officers must determine the identity and citizenship of all persons seeking entry into the United States, determine the admissibility of foreign nationals, and deter the entry of possible terrorists, terrorist weapons, controlled substances, and a wide variety of other prohibited and restricted items.

Keeping America safe and enforcing our nation's laws in an increasingly digital world depends on our ability to lawfully examine all materials entering the U.S.

Your efforts to streamline this reporting template is appreciated however it is a reporting mechanism template from HQ and must remain as is. Removing data fields will only cause HQ to come back to us requesting to missing data, as well as making it difficult on their end to matriculate our Field Office's submission into their nationwide spreadsheet.

Good morning,

IAD is proposing a revision to the template the BFO is using to report our EO projections (previous version and proposed version attached for comparison). We are proposing that the below format be used by the Baltimore field office in place of the previous format as it includes the information required when requesting an exemption and removes unnecessary information.

				DOB	COC (write out country name)	A # (if applicable)	PPN	Applicant Status (use drop down box)	Classification	Loc Pl (Y
Date	Flight #	Last name	First Name							

Please advise if suitable and ok to continue with above format.

Thanks.

Team,

Updated reporting requirements necessitate separate entries for “Number of Immigrant Visa Encounters” and “Number of LPR Encounters”; previously reported as “Number Immigrant/LPR Encounters.”

Please provide breakdown of above since inception of reporting to the CBP IAD Management email address.

The new template also requires “Number of LPRs not granted waivers.” Please provide positive or negative to this as well.

Directors,

The Office of Field Operations, Operations Division has been requested to update the reporting template to capture and clarify additional information needed by CBP leadership. As such, a new reporting template has been created.

Please ensure that your locations are using the attached template for reporting **beginning with the 0500 report on January 29, 2017.**

As a reminder:

- Reporting is now due to Field Liaison at 0500 hours, 1500 hours and 2100 hours.
 - Field Liaison reports are due to the DHS National Operations Center (NOC) within one hour of the established reporting times.
 - It is critical that reports are submitted to Field Liaison timely.
- In addition to the running cumulative total each Field Office need to also report totals for the specified reporting timeframe.

SUBJECT: Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States*. It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison: (b)(7)(E). Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at (b)(7)(E). (b)(7)(E) For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at (b)(6), (b)(7)(C).

CBPAS and CBPO are already and continued to be encouraged to practice commuting to and from work in civilian clothing to avoid unnecessary and unwanted attention from the public when off duty. Whether this is to completely change clothing or to adorn a "cover shirt" is up to the discretion of the individual officer or Ag specialist. While on duty, the uniform is to be worn in accordance of the Uniform Guidelines.

Mr. (b)(6), (b)(7)(C)

I light of the recent Executive Order and the increased workload it has created DFO Durst has cancelled our planned visit to DCA and AAFB scheduled for February 1st. WE are however still on for tomorrow's visit to Dulles (itinerary below). See you at your Holiday Park office tomorrow at 1000. The DFO will be in her GOV and I will be in my POV.

(b)(6), (b)(7)(C)

I can't remember in our previous back and forth on this visit but it is confirmed that your NTEU Chapter President is aware of this scheduled meeting and will be available tomorrow at 1230 for it?

1000 – One on one meeting with PD (b)(6), (b)(7)(C) at Holiday Park.

1045 – Drive to Air Cargo for a tour of operations (led by PD, APDs, and CoS) and a look at the possible new location for the port office.

1130 – Meeting with PD, APDs, CoS, and as many of your WCs, Chiefs and supervisors as feasible in a conference room at IAD.

1230 – One on one meeting with Port of Washington Dulles NTEU Chapter President in an appropriate private office at IAD.

1315 - PD, APD, CoS led tour of IAD operations and employee engagement (not a formal town hall just engagement as encountered).

1500 - Depart

Subject: LPRs Opportunity to call counsel/List of Free Legal Services
Importance: High

LPRs arriving at Dulles Airport must be provided with a list of free legal services and an opportunity to call their counsel while in CBP custody. When that call occurs may need to be determined on a case by case basis. But, in no event should we delay that call unnecessarily and/or fail to provide that call, for instance, while the question of whether a waiver is approved is adjudicated.

Document in all close outs and bullets requesting exemption that the list of free legal services and an opportunity to call their counsel were provided.

Subject: Revised Executive Order Reporting Guidelines

Directors,

Thank you for your outstanding support, flexibility and response over the past week in regard to the changing Executive Order (EO) reporting requirements.

The EO Crisis Action Team (CAT) is working to automate, streamline, and reduce the number of reporting periods currently required of the Field.

For today's 0500 and 1500 (EST) reports, please use the existing template and submit via email. It will not be necessary to submit a 2100 report today.

Beginning Saturday, February 4, 2017, Field Offices will only need to submit stats twice daily via SharePoint, as shown on the attached revised templates.

Guidance for use of revised templates:

The EO CAT has created a page on the Incident Management Division SharePoint site.

Beginning Saturday, February 4, 2017, reports must be submitted via the site:

(b)(7)(E)

in the "Revised EO Reporting 24 HR Period" file.

Starting Saturday, February 4, 2017, reports must be submitted via SharePoint by 0001 (EST) and 1200 (EST).

Each Field Office (FO) must submit the name(s) of FO points of contact (POC) for reporting. The POCs will be granted access to the SharePoint site. It is imperative that the spreadsheets are provided timely and accurately. POCs should ensure the date and time on the submission is modified once the information has been submitted. POC names must be forwarded to the EO CAT NLT 1300 (EST) February 3, 2017.

A consolidated "Waiver Request" file is also available via the SharePoint site. This spreadsheet has tabs for details about travelers encountered. Included is a tab for DFO/SES PD considered exceptions, Refugees, Canadian Landed Immigrants, EO affected aliens encountered without identity documents. The spreadsheet must be filled out completely, to include country of citizenship, how the subject presented themselves, the final disposition and high level bullets in the appropriate column.

For any EO waiver exceptions granted by a Director of Field Operations, Port Director, John F. Kennedy Airport or Port Director, Los Angeles International Airport, please include bullets listing the country of citizenship of the subject, how the subject presented themselves and the final disposition. If a waiver is denied, please provide an explanation.

In regards to withdrawals (WD) tab, please only report on aliens granted I-275 WD who actually depart the United States or are referred to Enforcement and Removal Operations. Do not report pending aliens, or those granted an EO exception. For each withdrawal, please include bullets regarding the reason for the withdrawal and the type of admission intended (i.e.; B1/B2, etc.).

In accordance with the February 1, 2017 White House Guidance, Sections 3(c) and 3(e) of the EO do not apply to Lawful Permanent Residents (LPR) returning to the United States. LPR information should not be captured on the spreadsheet.

Please keep in mind that the (b)(7)(E) mailbox is for internal operational use only and is not to be provided to individuals or components outside of CBP.

Specifics for each column in the revised "Revised EO Reporting 24 HR Period" template is outlined below:
