Executive Order (EO) Protecting the Nation From Terrorist Attacks by Foreign Nationals
Frequently Asked Questions
2/1/2017 12:36:15 PM

1. **How many people are currently detained at Ports of Entry as a result of the Executive Order?**

CBP is not currently holding in its custody any individual based on the Executive Order. However, at any given time there may be a number of people going through inspection who fall within the scope of the Executive Order. All individuals who arrive in the United States are subject to inspection.

2. **What is the process for considering an individual for an exemption under the Executive Order?**

Senior DHS personnel can review individual cases and grant exemptions on a case-by-case basis if that individual's admission to the United States falls within the parameters of the Executive Order. CBP is processing exemptions consistent with the Secretary's guidance.

3. **Are all Lawful Permanent Residents (LPRs) eligible for an exemption – returning and first time arrivals?**

It is important to understand that individuals with immigrant visas overseas are not LPRs. Eligible individuals only become LPRs once they have been inspected and admitted at a port of entry.

Lawful Permanent Residents of the United States traveling on a valid I-551 will be allowed to board U.S. bound aircraft and will be assessed on a case-by-case basis for exceptions upon arrival at ports of entry, as appropriate. CBP is processing exemptions consistent with the Secretary's guidance.

4. **Has CBP issued clear guidance to CBP officers at Ports of Entry on the Executive Order and the court orders?**

Yes, CBP issued guidance to the field expeditiously upon the signing of the Executive Order. CBP has and will continue to issue any needed guidance to the field with respect to court orders. All individuals, including those affected by the court orders, are being given all rights afforded under the law.

5. **What coordination is being done between CBP and the carriers?**

CBP has been and will remain in constant communication with the airlines through CBP regional carrier liaisons. In addition, CBP has held multiple executive level calls with the airlines in order to provide guidance, answer questions, and address concerns.

6. **When did enforcement of the Executive Order start?**

Executive Order (EO) Protecting the Nation From Terrorist Attacks by Foreign Nationals
Frequently Asked Questions
2/1/2017 12:36:15 PM

The Executive Order became effective on January 27, 2017.

7. **Has CBP been pressuring detainees to either withdraw their applications for admission into the country or sign documents rescinding their green cards? There are reports that CBP is confiscating green cards.**

   CBP is committed to following the law. Any withdrawal of an application for admission must be voluntary. The withdrawal process is not new and CBP officers are well trained to ensure that individuals make voluntary decisions.

8. **Does this Executive Order apply to dual nationals of the seven countries who want to enter the U.S.? If they apply for entry based on their citizenship from one of the countries NOT on the list, will they be allowed entry?**

   Travelers are being processed and when eligible, admitted according to the travel document they present.

9. **Can a dual national traveling with a passport from an unrestricted country travel to the United States?**

   Dual nationals with a valid immigrant or nonimmigrant visa in a passport issued by any country not restricted under the Executive Order will be permitted to apply for admission to the United States.

10. **Can a dual national who holds nationality with a restricted country and is currently overseas, apply for an immigrant or nonimmigrant visa to the United States?**

    Department of State's Posts are allowed to process visa applications and issue nonimmigrant and immigrant visas to otherwise eligible visa applicants who apply with a passport from an unrestricted country, even if they hold dual nationality from a restricted country. Please contact the Department of State with any questions related to the issuance of visas.

11. **Will Canadian immigrants affected by the Executive Order be eligible for entry to the United States?**

    Landed immigrants of Canada (not including refugees) who hold passports of a restricted country can apply for admission to the United States, if the individual presents that passport with a valid immigrant or nonimmigrant visa and proof of their landed immigrant status, and only if the travel both originates in Canada and is through a land border or Preclearance location.

12. **Can Canadian immigrants affected by the Executive Order apply for an immigrant or nonimmigrant visa to the United States?**

Executive Order (EO) Protecting the Nation From Terrorist Attacks by Foreign Nationals
Frequently Asked Questions
2/1/2017 12:36:15 PM

Landed immigrants of Canada (not including refugees) who hold passports of a restricted country can apply for an immigrant or nonimmigrant visa to the United States, if the individual presents that passport and proof of landed immigrant status to a consular officer. These applications shall be made at a U.S. consular section in Canada.

13. Will Iraqi Passport holders with a valid Special Immigrant Visa be eligible for entry to the United States?

The entry of Iraqi nationals with a valid Special Immigrant Visa to the United States is deemed to be in the national interest and can apply for admission to the United States. Accordingly, absent the receipt of significant derogatory information indicating a serious threat to public safety and welfare, possession of a Special Immigrant Visa will be a dispositive factor in case-by-case determinations. Iraqi nationals can also apply to a consular officer for Special Immigrant Visas, and, if otherwise qualified, can be issued a Special Immigrant Visa.

14. Will nationals of restricted countries with valid green cards be allowed to return to the United States?

As stated by Secretary Kelly, the entry of U.S. lawful permanent residents is deemed to be in the national interest. Accordingly, absent the receipt of significant derogatory information indicating a serious threat to public safety and welfare, lawful permanent resident status will be a dispositive factor in case-by-case determinations.

15. What additional screening will nationals of restricted countries (as well as any visa applications) undergo as a result of the Executive Order?

In adjudicating both admission to the United States and issuance of visas, both DHS and DOS will continue to apply all appropriate security vetting procedures.

16. Does this affect travelers at all ports of entry?

Yes, this Executive Order applies to all immigrant and nonimmigrant persons of Iraq, Iran, Libya, Somalia, Sudan, Syria and Yemen applying for entry to the United States at any port of entry—air, land or sea.

17. Does CBP have the authority to search individuals' electronics?

All international travelers arriving to the U.S. are subject to CBP inspection. This inspection may include <u>electronic devices</u> such as computers, disks, drives, tapes, mobile phones and other communication devices, cameras, music and other media players and any other electronic or digital devices.

Various laws that CBP is charged to enforce authorize searches and detention in accordance with 8 U.S.C. § 1357 and 19 U.S.C. §§ 1499, 1581, 1582. All persons,

baggage, and merchandise arriving in, or departing from, the United States are subject to inspection, search and detention. This is because CBP officers must determine the identity and citizenship of all persons seeking entry into the United States, determine the admissibility of foreign nationals, and deter the entry of possible terrorists, terrorist weapons, controlled substances, and a wide variety of other prohibited and restricted items.

Keeping America safe and enforcing our nation's laws in an increasingly digital world depends on our ability to lawfully examine all materials entering the U.S.

Additional information on electronic searches is available here and here.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman   (b)(6), (b)(7)(C)
Executive Director
Admissibility and Passenger Programs
Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign
Terrorist Entry into the United States"

Effective immediately, and pursuant to Executive Order entitled, *"Protecting the Nation from Foreign Terrorist Entry into the United States"* (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA. This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas. This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through (b)(7)(E) (b)(7)(E) locations, and (b)(7)(E) (b)(7)(E)

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:
  (1) All case processing will be recorded in (b)(7)(E) (b)(7)(E) system, according to current policy/procedure.
  (2) Subjects will be allowed to withdraw their application for admission on Form I-275, *without a sworn statement*. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
  (3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
  (4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will

be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,

(1) Lawful Permanent Residents should be referred for [(b)(7)(E)] and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of [(b)(7)(E)] should be notated in [(b)(7)(E)] with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

(1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for [(b)(7)(E)] and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security. Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:

(1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
(2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. If you have any questions or require additional information, please contact [(b)(6), (b)(7)(C)] (A) Director, Enforcement Programs Division, at [(b)(6), (b)(7)(C)] [(b)(6), (b)(7)(C)]

Liaison,

Per your request:

Dulles:
Social justice group "Standing Up For Racial Justice of Northern Virginia" organized a welcome rally via social media to take place at Washington Dulles Airport.   The Governor and state attorney general gave a press conference and left Washington Dulles after briefly speaking with rally attendees.

Rally organizer (b)(6), (b)(7)(C) representing the group stated to media sources that the group was planning a show of solidarity to international arrivals, immigrants, refugees coming into this country, who might be afraid of the executive order, to let them know the group supports and welcomes them. Estimated by Airport authority that this event has drawn up to 300 participants. Protestors have

1

been witnessed cheering when passengers exit the FIS, and occasionally chanting *"love, not hate. That's what makes America great."*

In light of the rally/demonstration ongoing in the main terminal, **(b)(7)(E)**

(b)(7)(E)

Philadelphia:
Planned Protests at the Philadelphia International Airport on 01/29/2017

Reports received from Officers spoken to in the Philadelphia Police Airport Group state that they will try to contain/reroute the protests to the Departure/Ticketing area (away from the FIS location).

Information obtained from news outlets and Philadelphia Police Airport Group have identified that a protest is scheduled at the Philadelphia International Airport Arrivals Hallway at 1400.

Philly.com (**(b)(6)** – columnist) is reporting that a protest is imminent (being organized) at Terminal "A".

Directors,

I apologize for the delay. Please be advised that you have unilateral authority to approve exemptions to the Executive Order for LPRs, no State Department approval required. The exemption process for other categories of aliens as outlined in the policy guidance currently requires the approval of the acting Commissioner. Further guidance for these exemptions is forthcoming.

Memorandum For: Directors, Field Operations

From: Todd A. Hoffman
                                  Executive Director
                                  Admissibility and Passenger Programs
                                  Office of Field Operations

Subject: Guidance on Executive Order "Protecting the Nation from Foreign Terrorist Entry into
                                  the United States"

Effective immediately, and pursuant to Executive Order entitled, *"Protecting the Nation from Foreign Terrorist Entry into the United States"* (January 27, 2017), all entry into the United States for aliens who are nationals from Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen is hereby suspended in accordance with Section 212(f) of the INA.   This includes all non-immigrant classifications, with the exception of those foreign nationals traveling on diplomatic visas, NATO visas, C2 visas for travel to the United Nations, G1, G2, G-3, and G-4 visas.   This also includes all immigrant classes of admission, returning resident aliens refugees and asylees.

The Department to State has provided CBP with a letter provisionally revoking all immigrant and non-immigrant visas for nationals of Iran, Iran, Libya, Somalia, Sudan, and Yemen. Revocations may not yet be annotated in the system.

Wherever possible, (b)(7)(E) will coordinate the denial of boarding through **(b)(7)(E)** (b)(7)(E)) locations, and **(b)(7)(E)**

Should aliens, subject to the Executive Order, arrive at the port of entry, CBP officers are instructed to take the following actions:

Applicants bearing Non-Immigrant Visas and First Time Arriving Immigrants:
(1) All case processing will be recorded **(b)(7)(E)** system, according to current policy/procedure.
(2) Subjects will be allowed to withdraw their application for admission on Form I-275, ***without a sworn statement***. All other procedures pertaining to the processing of Form I-275 withdrawal cases apply.
(3) Should the alien decline to withdraw their application for admission, the alien will be placed in Expedited Removal in accordance with standard operating procedures.
(4) Aliens claiming fear of return will be referred to an asylum officer, and processed for Expedited Removal/Credible Fear (ERF). Aliens processed under ERF procedures will be referred to ERO for detention. Field Offices should clearly indicate to both CIS and ERO that aliens are subject to Executive Order during the referral process.

Returning Residents,
(1) Lawful Permanent Residents should be referred for **(b)(7)(E)** and held at the port of entry until an exemption to the Executive Order is granted. The authority to grant an exemption has been delegated to the Commissioner of CBP, and further delegated to Directors of Field Operations and SES Port Directors. Once an exemption has been granted results of **(b)(7)(E)** should be notated in (b)(7)(E) with the following language: *Individual is subject to Presidential Executive Order and barred from entry pursuant to 212(f) of the INA but has been granted an exemption per (insert DFO/SES PD).*

Refugees, Asylees, Unaccompanied Children, and subjects returning to the US with Advanced Parole:

(1) Aliens from the above group who are prevented from entry solely as a result of the Executive Order, should be referred for [(b)(7)(E)   ] and held at the port of entry until such time as an exemption to the Executive Order can be obtained. This exemption falls to the Secretary of State and Secretary of Homeland Security.   Further guidance will be forthcoming on processing these exemptions.

Individuals who fall within any of the above may not be paroled, which includes port parole and deferred inspection. To the extent that there is an emergent medical issue related to an alien who falls within the Executive Order, CBP officers must accompany the alien for any medical care.

Returning aliens ineligible who withdraw their application for admission:
   (1) Aliens arriving via air or sea: Commercial carriers are required to remove foreign aliens found ineligible for entry under this order pursuant to 241(c)(1) of the INA.
   (2) Aliens arriving via land will be returned per current established procedures with the contiguous country.

Please ensure that this memorandum and attached muster are disseminated to all ports of entry within your jurisdiction. All,

FYSA below from MWAA Public Affairs concerning a potential staged press event at Dulles by the VA Governor, democrat Terry McAuliffe, today or tomorrow and the potential that he may reach out to you, Mr. (b)(6), (b)(7)(C)

It goes without saying that we would not participate in this press event. (b)(6), (b)(7)(C) may provide a CBP vetted and approved statement concerning the Executive Order when available but for right now one does not exist and we will not comment to media about it, just refer any media inquiry to (b)(6), (b)(7)(C) Right now (b)(6), (b)(7)(C) orders are to refer to DHS OPA.

FYI, the Governor of VA is planning a presser today or tomorrow at IAD to react to the new exec order. It will be in the public waiting area outside the International arrivals area, where press have already gathered. Will share the exact time with you when we know it.

Additionally, the Governor would like to reach out to [(b)(6), (b)(7)(C)] or another On-site CBP official when he arrives. His press person is [(b)(6)] cell [(b)(6)] / email [(b)(6)]

I'm sure it's nuts for you today. We've received several inquiries from reporters about potential detainees, and we are referring them to CBP.

Take care,

Update #2:
- Teleconference conducted Sunday, January 29, 2017 in preparation for the expected protest today at BWI between 1700-2100. Maryland Aviation Administration (MAA), MDTA Police, TSA, FBI, and CBP discussed operational plans.

- MDTA Police and MAA will plan to set up stanchions on the ground floor of the International Arrivals Hall to separate the protesters to allow the arriving passengers to continue onto their final destination. MAA will guide picketing protesters (if) to an area outside along the curb.
- MDTA Police and MAA will plan to set up stanchions on the second floor of the International Arrivals Hall to separate the protesters to allow the outbound passengers to check in and proceed through TSA.
- MDTA Police will have additional officers available and on hand to observe what we believe will be a peaceful protest.
- MDTA Police and MAA established a Command Center to coordinate operations and communications.

Planned protests due to VP Pence visit on 2/4/17

CBP PHI was notified by PPD Capt. (b)(6), (b)(7)(C) this evening that VP Pence would be attending a political function on Saturday morning (2/4/17) in Center City Philadelphia.

Capt. (b)(6), (b)(7)(C) stated that protests will be held in Center City Philadelphia as a result of his visit. Information was obtained from various social media and news media reporting outlets.

Capt. (b)(6), (b)(7)(C) notified CBP due to the possibility that protests may also occur as a result of the recently suspended Executive Order. As of this evening there are no reports of planned protests at the Philadelphia International Airport tomorrow.

Airport management was notified that should any protests occur that impact our operations, they are to notify the chain of command. Managers were also advised to muster staff regarding safety and interacting with the media and general public.

Team,

Updated reporting requirements necessitate separate entries for "Number of Immigrant Visa Encounters" and "Number of LPR Encounters"; previously reported as "Number Immigrant/LPR Encounters."

Please provide breakdown of above since inception of reporting to the CBP IAD Management email address.

The new template also requires "Number of LPRs not granted waivers." Please provide positive or negative to this as well.

Directors,

The Office of Field Operations, Operations Division has been requested to update the reporting template to capture and clarify additional information needed by CBP leadership. As such, a new reporting template has been created.

Please ensure that your locations are using *the attached* template for reporting **beginning with the 0500 report on January 29, 2017.**

As a reminder:
- Reporting is now due to Field Liaison at 0500 hours, 1500 hours and 2100 hours.
  - Field Liaison reports are due to the DHS National Operations Center (NOC) within one hour of the established reporting times.
  - It is critical that reports are submitted to Field Liaison timely.
- In addition to the running cumulative total each Field Office need to also report totals for the specified reporting timeframe.

MEMORANDUM FOR:	Directors, Field Operations Director, Pre-Clearance
FROM:	**(b)(6), (b)(7)(C)** Deputy Executive Director, Operations (Acting) Office of Field Operations
SUBJECT:	Reporting Guidance for Actions Taken Related to Executive Order: *Protecting the Nation from Foreign Terrorist Entry Into the United States*

On January 27, 2017, President Donald Trump issued Executive Order: *Protecting the Nation from Foreign Terrorist Entry into the United States.* It is the policy of the United States to protect its citizens from foreign nationals who intend to commit terrorist attacks in the United States; and to prevent the admission of foreign nationals who intend to exploit United States immigration laws for malevolent purposes.

As we push forward in our efforts to protect our Nation, OFO Operations will require daily reporting on our activities as related to this Executive Order. Reporting will include encounters in the air, land and sea environments with anyone who arrives into the U.S. from the seven (7) countries (Iran, Iraq, Libya, Somalia, Sudan, Syria and Yemen) that meets the criteria outlined in the Executive Order and the instructions issued to the field by Admissibility and Passenger Programs.

Using the attached spreadsheet, data should be captured daily for the 24-hour time period beginning at 0300 (EST) – and ending at 0259 hours (EST). **By 0500 hours (EST) daily**, each Field Office is required to submit their data from the previous 24-hours to OFO Field Liaison (`(b)(7)(E)` Reports must be submitting using the attached Microsoft Excel template document. Field Liaison will consolidate these reports into a final report senior CBP and DHS leadership.

If you have any questions regarding to reporting, please contact the Field Liaison Division, at `(b)(6), (b)(7)(C)` `(b)(6), (b)(7)(C)` For questions pertaining to the implementation of the new policy, please contact Ryan Hutton, Deputy Executive Director, Admissibility and Passenger Programs at `(b)(7)(E)`

Should I assume you are asking for video for the processing of the Qatar flight. If that's the case I should be able export that with no issue.

On your side you may want to invest in a portable hard drive to contain all the exported video.

Subject: New EO reporting for Baltimore and Philadelphia

Mr. (b)(6), (b)(7)(C)

Per our earlier conversation:

Please send the attached "SPECIALvettingFINAL1" report to both PHL and BAL. Request that they place ONLY those individuals that they processed under the new Executive Order (either admitted/withdrawal) since 01/28/2017. If they can have this report back to Chief (b)(6), (b)(7)(C) and myself NLT Friday 02/03/2017 at 1300, we will place their subject's info into our version of the report and have a comprehensive report for the entire BFO.

Once we have that information, we should be able to give you reliable numbers concerning the total number of individuals that we received at the three ports to include admissibility dispositions. Once you have that, creating a query should be attainable.

Also, please request that Baltimore and Philadelphia begin sending us their Executive Order Report using this new spreadsheet. We realize that this is not the format that HQ is requesting, however this will allow us to continue keeping the comprehensive list of individuals encountered. We will then transpose those numbers into the current HQ format for reporting at 0500, 1500, 2100. Please remind both ports that these reports are due to IAD NLT 0400,1400, and 2000. Also, the report should be sent to the CBP IAD Managers distribution list

An immigration lawyer called the command center at IAD and wanted to know where and to who should he send the injunction order to?

He was informed that we at IAD CBP would receive any new instructions through our chain of command and would then follow directions given.

He thanked us and hung up.

My initial reaction is to not modify as removing some data fields will most likely just prompt HQ to come back to us asking for the removed data because they won't be able to copy and paste.

Dulles proposes removing the following data fields. Port, Document Type, Doc Country, and Doc # and adding an "A# if applicable" field. I would leave as is.

Good morning,

IAD is proposing a revision to the template the BFO is using to report our EO projections (previous version and proposed version attached for comparison). We are proposing that the below format be used by the Baltimore field office in place of the previous format as it includes the information required when requesting an exemption and removes unnecessary information.

Date	Flight #	Last name	First Name	DOB	COC (write out country name)	A # (if applicable)	PPN	Applicant Status (use drop down box)	Classification	Lo Pl (

Please advise if suitable and ok to continue with above format.

Thanks.
